

Hindley ASC NEWSLETTER

August 05

Web Site

In July the Hindley Swimming Club web site became available. This is our first attempt at putting some of the information we feel would be useful relating to the clubs business on the web. You can access the site by typing the following URL www.hindleyasc.co.uk . Over time this site will be populated with more information when it becomes available. Please let us know what you and the children think of this site and any ideas you may have for improving it.

Annual Club Championships

The club championships will be held this year on the 12th & 13th November (more details will follow on times etc.). This year because of the rising cost of hiring the pool (it cost us £900.00 / month to hire the pool) and the cost of trophies we will be asking you to contribute a small amount for the children to compete. For each of the events the children will be competing in we will be asking for 50p, therefore if your child competes in 4 events the cost will be £2.00.

Galas

Hindley will compete in the Bolton & District mini league B final at Broughton pool on the 18th September.

Dates for the diary

18th September 2005 - B & D mini league B final Broughton Pool

24 August 2005 - Next committee meeting at the conservative Club in Hindley, 8.00pm - All WELCOME.
