### Manchester & District Team Final Division 2

Hindley took part in this gala at Irlam pool last month and all our swimmers did very well, we would like to thank them all for their efforts during the event.

### Raffle Prizes

It would help the club if donations could be made for the raffle prizes for the upcoming Club championships and Christmas disco. If you have anything that could be used please feel free to bring them to any committee member.

### Club Championships

If you have any trophies from last years Club Championship still in your possession could you please return them cleaned and polished as soon as possible.

The Club championships will run on Saturday and Sunday 12<sup>th</sup> and 13<sup>th</sup> November. The swimmers warm up will start at 2.00pm and the races will start at 2.30pm, we expect the races to be completed by 5.30pm on each day.

Please note that spectators will not be allowed to go onto the balcony and the children will not be allowed into the changing rooms before 1.45pm.

There we will charge £1.00 for adults and 0.50p for OAP's on each day and raffle tickets will be available.

Please come along and support the club and the children for this exciting annual event.

### Christmas Disco
