Membership Fees

A big thank you to those of you who paid your membership fees by the end of September. For those who have not yet completed their payment could you please do so as soon as possible?

2008 Club Championships

This years club championships will be held on the 15th & 16th November, both days will start at 1.30pm and hopefully finish by 5.30pm. All entries for the events have now been taken and unfortunately we can not accept late entries.

If anybody is interested in sponsoring the Club Championship in any way please let any of the committee members know as soon as possible so we can make the necessary arrangements.

Children could you please ensure that you do the do the correct **stroke, start finish** and **turn** for any event you enter at the Championships. You will have noticed the coaches telling you what is required at the training sessions (e.g both hands for Breast Stroke finish, finish on your back at back stroke). Please get these right on the day of the Championships, we don't want you to get disqualified because you have all worked hard through the year for this. If you are unsure about the any of this please let one of the coaches know right away.

At this point in time we have a local referee for Saturday and Kevin will be referee on Sunday, their decision on the races will be final.

As usual we are going to have a raffle on both days of the championships and any donations of prizes would be much appreciated by the club, please let any of the committee know of any prizes or ideas that we could use in the raffle.

Finally can all swimmers who won trophies at last years club championships that have not already done so, please return them, cleaned, as soon as possible.
